

Employment Opportunities for Prospective May 2022 Graduates

- ***QCI Behavioral Health located in White Plains, MD (Charles County), is looking for MSWs or LMSW's to provide therapy in the community for our clients.***

Mrs. Antoinette Fobbs, LMSW agorham30@gmail.com

- ***Vesta is looking for a qualified and motivated Residents Services Coordinator to join our multiple apartment communities in the Washington DC area***

The role of the Resident Services Coordinator (RSC) is to assist and empower residents of Vesta communities through provision of education, vocation and other opportunities for self-improvement and realization of individuals' needs and goals. The RSC will establish and sustain partnerships with community-based social service providers and other stakeholders to assist and empower residents to meet their own needs through education, training, and accessing services for themselves. The position reports directly to the Resident Services Manager.

Apply at [Careers | Vesta Corporation](#) or email jcrosler@vestacorp.com

- ***Mental Health Intake Specialist and Therapist***

Mary's Center is seeking a full-time Mental Health Intake Specialist and Therapist to join our dynamic and supportive behavioral health team. For over thirty years, Mary's Center has been a pillar in the DC area non-profit community. The Benefits:

- Starting salary is \$62,000, adjusted based on experience
- Twenty-five days of paid leave annually (in addition to paid holidays) plus five educational days to attend trainings and conferences.
- Eligibility for student loan repayment through the National Health Service Corps.
- Tuition reimbursement of \$1200/year to attend trainings and conferences.
- Competitive benefits package.
- Transportation subsidy.
- Hybrid remote and in-person work schedule.

Are you interested in joining our team?

Apply today! We look forward to reviewing your application. If this isn't the job for you, perhaps you have a friend who would be a perfect fit. Share this [link](#) with them, thanks!

- ***Global Psychological. Our mission is to bring quality education to every student and organization we partner with to help them achieve prosperity.***

Steve Gniewek Talent Acquisition Specialist 248-954-7400

- ***Ms. Cummings-Minns is seeking a student to assist in working at Stoddard Baptist Home for senior citizens*** CCummings-Minns@wcasdc.org

Employment Opportunities for Prospective May 2022 Graduates

- ***Part-Time Student Employment Opportunity with the YWCA***

The position pays between \$25 - \$30/hr. based on experience and status in the HUSSW program. Direct students to our website at www.ywcanca.org - click on "Who We Are" and then click "Join Our Team" to see what the position entails and to become familiar with our organization. This is a position we are hoping to fill in the coming weeks, so the process will move quickly.

Additional responsibilities include conducting intakes and follow up sessions or calls with current and exited students, assisting with the coordination of program activities and secondary oversight of case files for the purpose of grant monitoring. Assistance managing behavioral and social service needs of students in the classroom may also be required to support the instructors in providing appropriate accommodations for students with individual needs.

Fellowships

- ***Disability Law Center of Virginia
Minority MSW Fellowship in Public Health***

Purpose:

- Reduce health disparities and improve outcomes for people with disabilities in minority communities
- Assist dLCV's efforts to promote racial justice, build cultural, intersectional competency, and strengthen affinity between dLCV and minority-led advocacy.
- Provide quality advocacy and skill building opportunities for recent graduates of MSW programs

Available to graduating MSW students who are from racial or ethnic minority groups

- Two fellows, annually, beginning in fall 2022
- One-year Fellowship, possible extension for 2nd year, depending on funding
- Goal - at least one new fellow each year, one 2nd year fellow each year

Compensation:

- Annual stipend of \$44,000
- Possible housing assistance stipend of \$300/month in exceptional circumstances
- Intensive 3-week training program
- On-going mentorship
- Resume-enhancing opportunities
- Acquiring skills around trend and data analysis, client contact, policy development

Application Process:

The application process is open to any racial or ethnic minority students who graduated from a recognized MSW program in 2021 or who expect to graduate in 2022. The application process is competitive. Successful candidates will be selected by a committee based on a demonstrated interest in disability advocacy and public health policy. The Selection Committee may consider an applicant's academic achievement, prior work experience, experience with the disability community, extra-curricular activities, or other relevant life experiences.

- ***Postgraduate oncology social work fellowship at the Dana-Farber Cancer Institute Division of Social Work in Boston, MA with a start date of September 2022.***

The deadline for applications is Friday, April 29, and we would appreciate your help in encouraging any interested students to apply.

The fellowship is a one-year, full-time, salaried (+ benefits) position committed to expanding the racial diversity of clinicians within oncology social work and providing comprehensive clinical experience and professional development opportunities in oncology social work with diverse patient populations.

The fellowship is open to any under-represented racial minority candidate with a Master of Social Work degree, who is dedicated to the development of knowledge, awareness, and skills for clinical work and leadership in the delivery of quality services to racially and culturally diverse individuals with cancer and related diseases, their loved ones, and groups.

We have attached the flyer that outlines the program in greater detail. Interested students can also apply directly through this link:

- **Lyra Health Fellowship Program**

Lyra Health is excited to announce its first Fellowship Program for social workers who identify as Black, Indigenous, and/or Persons of Color (BIPOC). This program strives to reduce disparities in the mental health field by addressing key systemic barriers to licensure for BIPOC associate social workers.

Lyra Health's Two-Year BIPOC Fellowship Program offers:

- Access to no-cost clinical supervision (3,000 hours of supervised work experience in the state of California) in a healthy training environment
- Competitive paid fellowship with comprehensive health benefits
- Program support for exams and licensure requirements

For more information, please visit our [website](#) or view our [informational flier](#). Rolling applications close 4/15.

Who can apply? Graduate students who will be receiving their master's in social work from an accredited university in the spring of 2022 and are seeking licensure in CA, or Associate Social Workers who are seeking licensure in CA.

[Lyra Health](#) helps leading companies improve access to effective, high-quality mental health care for their employees and their families. With Lyra's innovative digital care platform and global provider network, members receive the best care and get better faster.

If you know of any BIPOC social work students, group of students, or recent graduates who may be interested, please forward this email to them fellowship@lyrahealth.com.
